BRAND : SAFE-T WEAR

SAFE-T WEAR BALACLAVA HOODS

Product Overview

Safe-T Wear Balaclava Hoods are designed to provide full head, neck, and shoulder coverage in hygiene-controlled and contamination-sensitive environments. Manufactured from lightweight, breathable material, these disposable hoods help contain hair and reduce contamination while maintaining comfort during extended wear.

They are intended for general hygiene and contamination-control applications and are suitable for single-use wear.

Product Specifications

- Product Name :Safe-T Wear Pleated Bouffant Caps
- Material :Non-Woven Polypropylene
- Material Density:10 g/m²
- Design :Full-coverage balaclava hood
- Usage :Disposable, Single Use
